Party Hire - Testimonial

"My band Murdoch's Crazy Eyes and I performed at Heene Community Centre on Friday 19th October for a 60th Birthday. We perform at many venues all over the country and

we were most impressed with this lovely community centre. I would not hesitate in recommending the venue to anyone wanting to hold a private function.... A special shout out to all the staff there who gave us some of the best hospitality we've ever received at any venue in 12 years of performing. The food was amazing and such lovely people. Thank you again and we hope to come back and play at Heene Community Centre very soon". Rob Pope.
